

KAMAI GROUP
The CORINTH
PROJECT

The Project

Discover a haven of luxury by the sea in the heart of the Peloponnese Peninsula, Greece.

Our project to construct five prestigious villas offers you the opportunity to experience an exceptional residential retreat, where each villa seamlessly blends into the magnificent coastal landscape, providing breathtaking views of the Aegean Sea and exclusive access to a private beach.

Residential building program:

5 villas / detached house

80 - 140 sqm

2 - 4 bedrooms

Private pool

Private beach access for the residence

Incredible sea view

Large plot

| Location

Corinth

Beauty, Opportunity, Escape

Strategic location

Proximity to tourist sites

Affordable prices

Diverse range of properties

Excellent rental potential

Pristine beaches

Rich historical heritage

Unspoiled nature

Local gastronomy and traditional festivals

Discover the region of Corinth, a gem of Greece that combines promising real estate investment opportunities with a captivating tourist destination. Nestled in the heart of the Peloponnese Peninsula, this region offers a strategic location between Athens and the rest of the Peloponnese.

Explore legendary archaeological sites, including the ancient ruins of Corinth, the temples of Epidauros, and the remnants of Mycenae. With affordable real estate prices and a diverse range of properties, now is the perfect time to invest. Pristine beaches, rich historical heritage, and unspoiled nature are also yours to explore. Experience the unique blend of beauty, investment, and escape in Corinth, where opportunities abound.

The project in detail

THE CORINTH'S VILLA

The project consists of five modern and elegant villas, designed to meet the highest expectations of comfort and luxury.

Each villa in the Corinth Villa project will span a single-story space ranging from 80m² to 140m², offering a spacious and elegant living experience with stunning views of the Aegean Sea.

Inside, the bright and airy living spaces are skillfully designed with high-end finishes and superior quality materials. The 2 to 4 bedrooms provide a tranquil haven to relax after a fulfilling day. Large windows welcome the gentle Mediterranean light, while the living areas open up to generous private terraces.

The spacious terraces offer panoramic views of the sparkling sea, creating an idyllic setting for moments of camaraderie and relaxation. Refresh yourself in your private pool, an exclusive haven of serenity and enjoyment.

Additionally, you will have exclusive access to a private beach, reserved solely for the villa residents. Imagine yourself unwinding on the warm sand, bathing in the crystal-clear waters of the Aegean Sea, and relishing in the complete privacy of this pristine environment.
